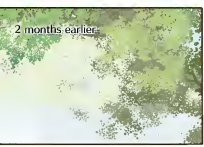
Spurts!
Cough!
Cough!
Could I really have failed?



2 months earlier...

Doctor, when will the patient be back to normal?
Hard to say. Although he doesn't seem to have a concussion, his condition could still change quickly so we need to keep him in for more examinations.

Alright, thank you doctor.

I want to eat an apple, brat.
No you already had two. Breakfast is soon anyway.

How do you feel today master?

Great.
Smiles~

Master seems to have become a totally different person. I just can't get used to this...
Let's go brat. Time to go to school.
Yikes we're gonna be late!
Oh that's right Lianlian!
Make sure you take your medicine! I've set an alarm to remind you!
Mhm.

Okay let's go let's go. I also have to go to class after I drop you off!
So loud!

Having fun playing dumb?
You want to treat them coldly but it's cumbersome so you're just going along with them. Why don't you quit it already?
It would be easier if you just tell them you find them intolerable.

Hmpf!
Now you show your true colours?
Tch, filthy swine. If it weren't for your blunder I wouldn't have gotten hurt either!

Brat, I don't think spending so much time at the hospital is a good thing. Although I can understand your feelings.

You're wrong, cousin.

If Lianlian hadn't pushed me out of the way I would be the one in that bed.

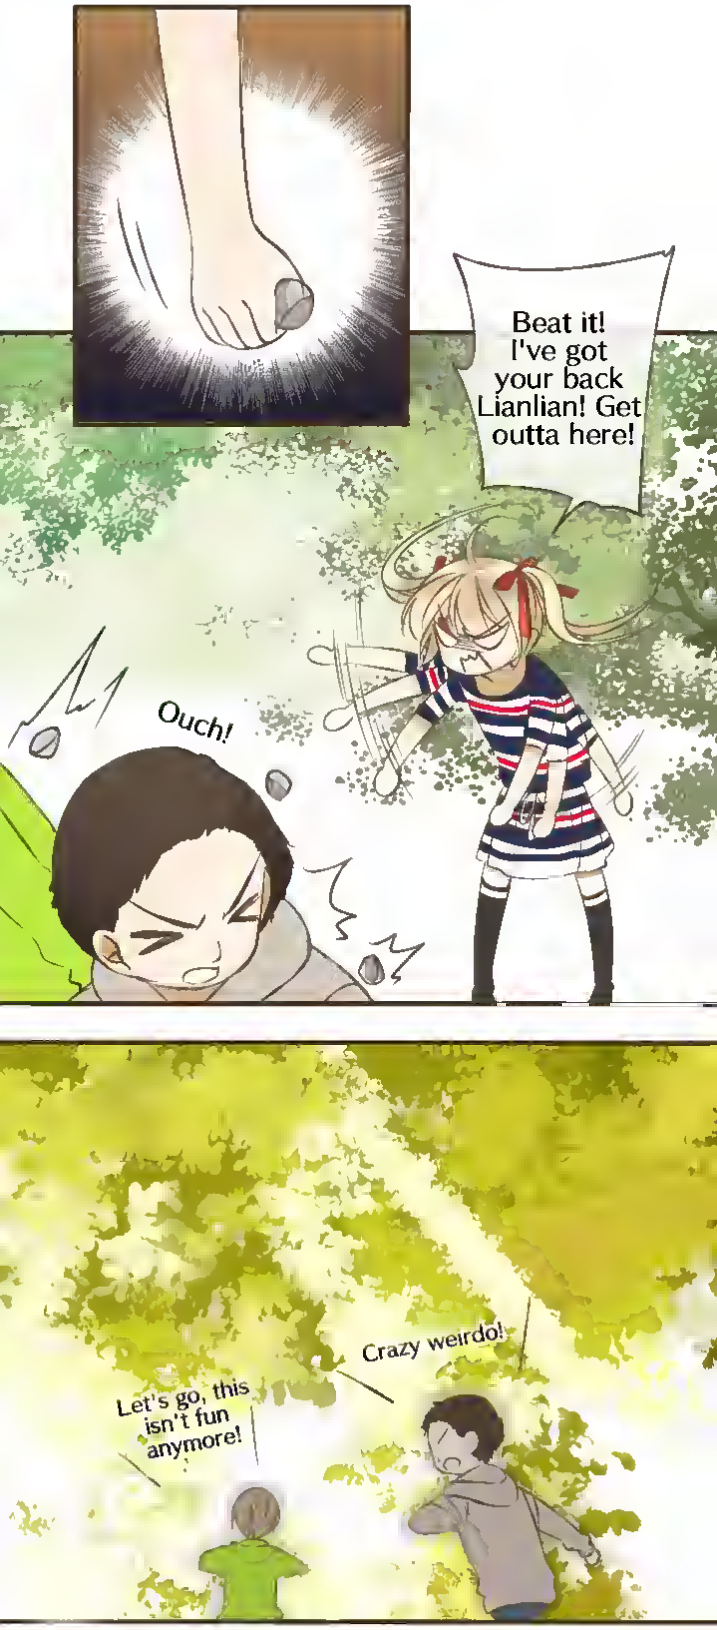
Don't over-think it, it was an accident, it wasn't your fault.

It is my fault, I'm a bearer of bad luck.
Brat...

After school-

step...
Hit him! That big idiot!
Hey! What are you doing?!
whack!
Beat it!

That stinky girl over there!
Hit her too!
Ouch!
.....



Beat it! I've got your back Lianlian! Get outta here!
Ouch!
Crazy weirdo!
Let's go, this isn't fun anymore!

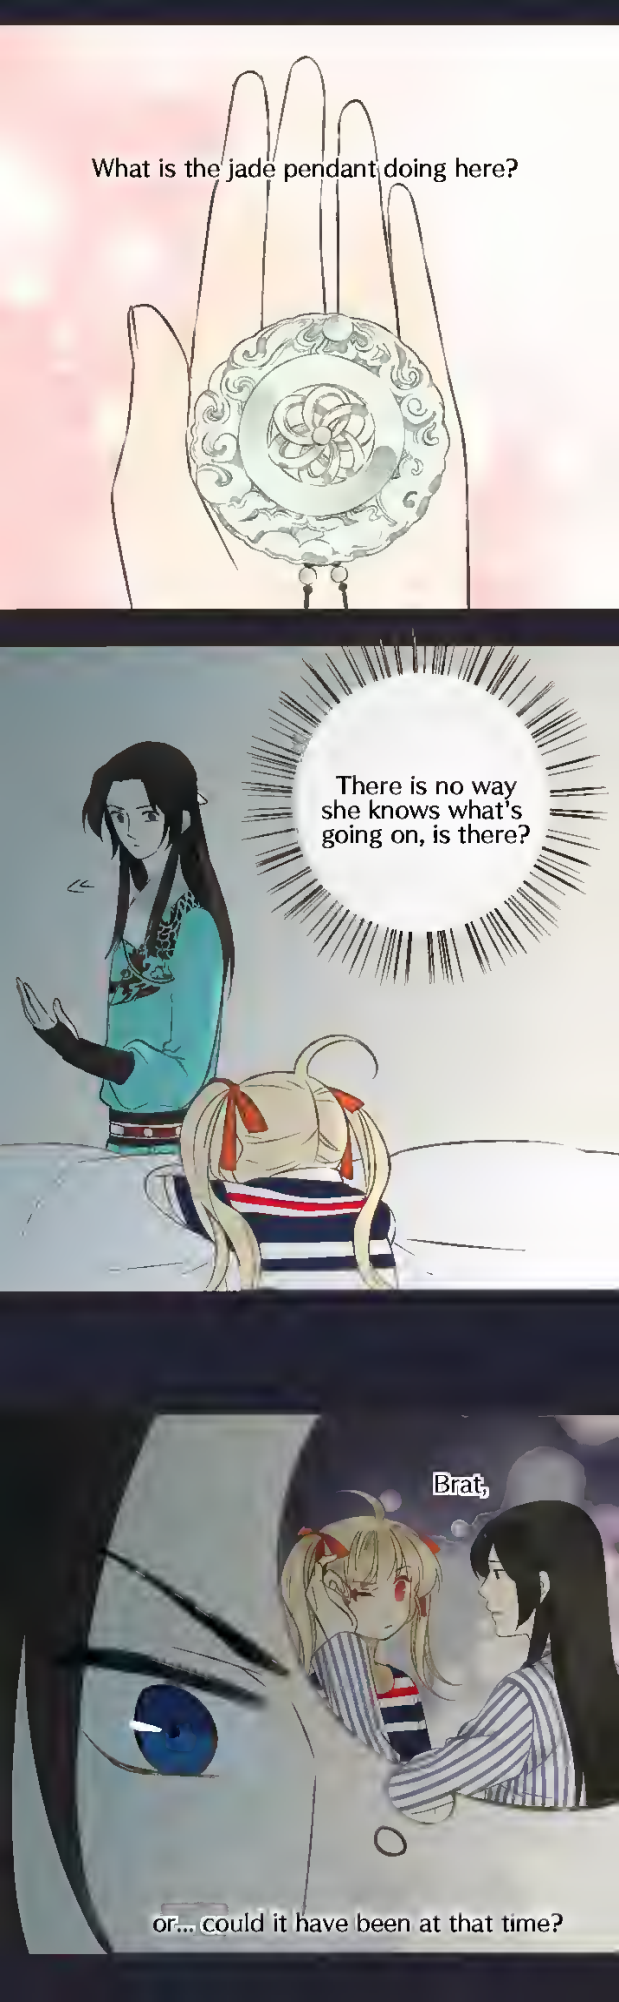
Huff~
Huff~
.....
You're safe now Lianlian! I sent them running!

Compared to Lianlian's injuries, this is nothing.

门诊楼

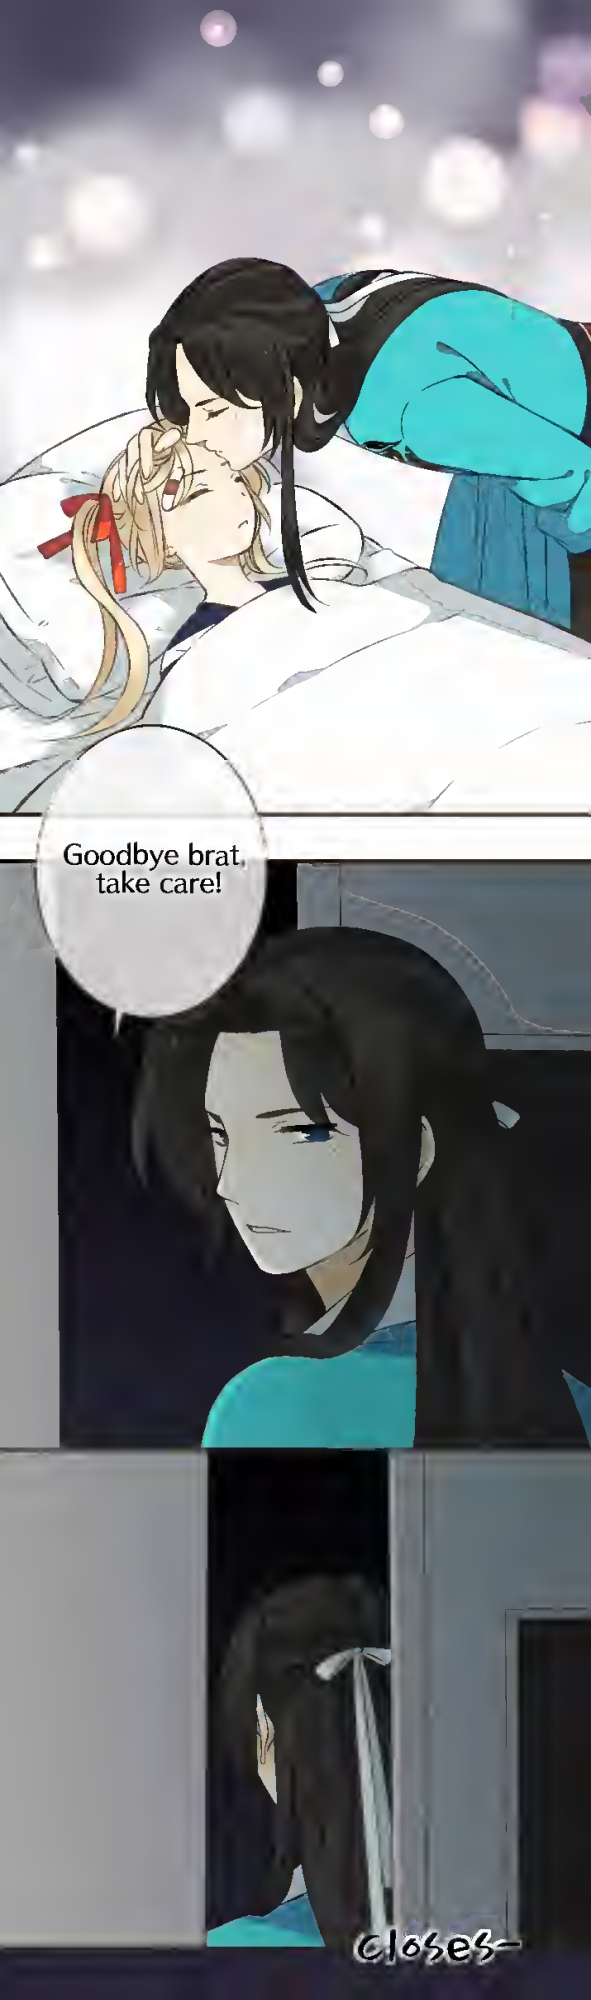
Opens eyes-

Tonight, same place as before. This is your last chance. If you mess this up you'll never be able to go home.

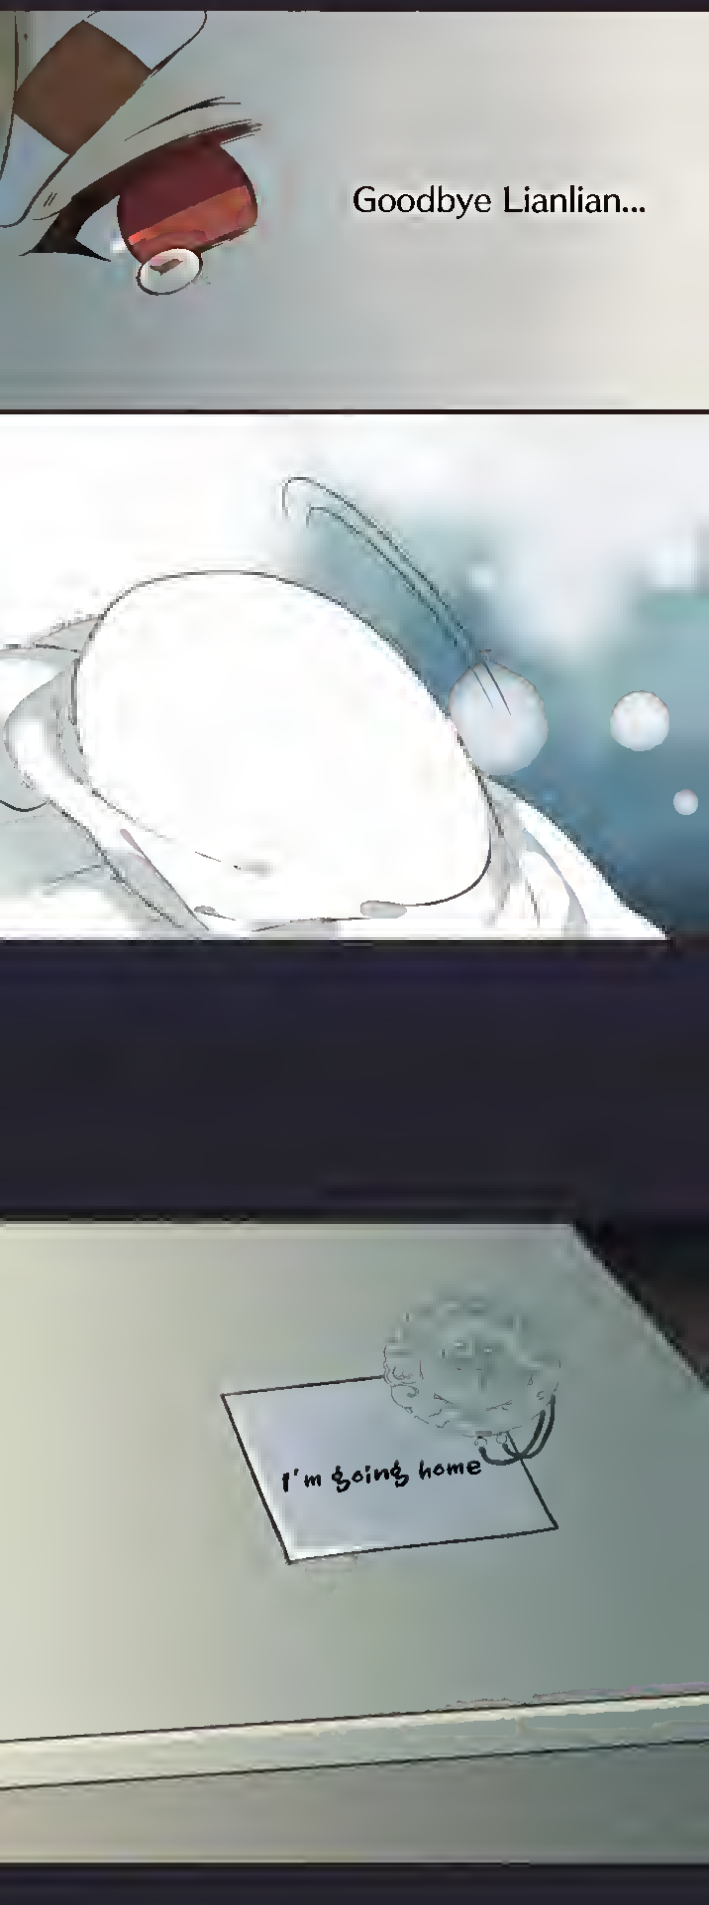


What is the jade pendant doing here?
There is no way she knows what's going on, is there?
Brat,
or... could it have been at that time?

carries-



Goodbye brat, take care!
closes



Goodbye Lianlian...
I'm going home

I'm going home
